Forest land for Upper Tunga Project in Karnataka

1830. SHRI JANARDHANA POOJARY: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether the Karnataka Government has submitted a proposal for diversion of forest land forthe purpose of completion of UpperTunga Project in Shismoga district, which envisages irrigation of 2.34 lakhs acres and relief to over .40,000 families in drought prone areas;

(b) if so, the details in this regard and Government's reaction thererto;

(c) the criteria adopted for deciding transfer or otherwise of forest land for irrigation and other purposes; and

(d) the details of forest lands diverted for irrigation in vaious States/ UTs during the last three years?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) and (b) The Government of Karnataka submitted a proposal for diversion of 449.55 hectares of forest land for construction of Upper Tunga Project in district Shimoga.The proposal was rejected on 21.06.2000 by the Government due to its likely adverse impacts on ecological security and bio-diversity of the region as the proposal involves diversion of forest land from Shettihali wildlife sanctuary.

(c) The Forest (Conservation) Act, 1980 does not prohibit any non-foresty activity in forest areas but only regulates indiscriminate and Unnecessary diversion of forest land, which may adversel affect ecological balance and the environmental stability. Every proposal requiring forest land for non-forestry purposes is considered on merit and in case if the diversion is necessary and unavoidable, permission is accorded with suitable conditions keeping due regard to environmental security of the area.'

(d) The details of forest land diverted for irrigation, in respect of the proposals received for forestry clearance from various State Governments/ UTs during the last three years *i.e.* 1999 to 30.6.2002, are enclosed in the Statement.
